Participant's Informed Consent and Waiver (18 & Under)

I, _____ give my consent for my child,
(Parent / Guardian Name)

_____, to participate in the Salmon Arm Junior Curling
(Participant Name)

League. While uncommon in the sport of curling, I understand and acknowledge that travel to and from and participation in the Salmon Arm Junior Curling League may result in personal injury (included but not limited to: injury to internal organs, bones, joints, ligaments, muscles, tendons and other aspects of the skeletal system and potential impairment of other aspects of the body, and in rare occurrences, death, complete or partial paralysis, or brain damage) and property damage or loss. I fully understand these risks and give my son / daughter permission to participate in the Salmon Arm Junior Curling League.

In 2017 Curling Canada recommended all children under the age of 12 and any novice or new curlers wear a CSA approved helmet designed for ice sports. More details regarding this can be found in this article at CurlBC: <https://www.curlbc.ca/strong-suggestion-helmets-u12s/>

However, use of helmets in the Salmon Arm Junior Curling Program remains a personal family choice. Please indicate below if you choose to have your child wear one. You must provide the helmet.

- I require my child to wear a helmet on ice and should my child forget to bring it, he/she will not be allowed access to the ice surface.
- I do not require my child to wear a helmet on ice.

I, as the parent / guardian of the participant named herein, hereby declare that I have read, understood and agree to the contents of this Informed Consent in its entirety.

Lending a Helping Hand

The Salmon Arm Junior Curling Program is run by volunteers – many do NOT have children participating.

As you can appreciate, it takes many volunteers to run a safe, fun program.

The Salmon Arm Curling Centre is committed to the success of its Junior Program and as such actively solicit assistance from the various senior and adult leagues but with limited success.

We need your active support!

Sometimes, as the parents/guardians of a Junior Curler, your working hours do not permit regular contact and we see many extended families instead.

Thank you Grandparents/ Aunts & Uncles / Family Friends!

We would love to hear what skills/talents your family might have to lend to our program.
