

2018-2019 Thompson Okanagan Inter City Junior Curling League

This is a league for junior curlers in the Thompson Okanagan with teams from Kamloops, Chase, Salmon Arm, Enderby, Armstrong, Vernon, Lumby, Winfield and Kelowna. The purpose of this league is to help juniors develop in their skills – bridging the gap between recreational club play and Curl BC competitive playdowns.

- The season normally runs from mid or late October until early March.
- There are 10 game days, with 2 games each day (normally 10am and 1pm).
- Games are played on Sundays about twice a month (depending on availability of ice), with the possible exception of playoffs which may occur on a weekend (Saturday – Sunday).
- Each of the participating cities hosts game days.
- Teams are coached and will compete in a division of like-skilled teams.
- There are 3 divisions – beginner, intermediate and advanced. No previous competition experience necessary!
- Most teams are comprised of kids from the same city. However, to accommodate everyone we sometimes form teams that have kids from more than one city.
- The league costs \$60 per player.
- The \$60 includes 10 game days, a hoodie, with your namebar on the back bottom of hoodie, a Christmas Party, a Year End Party with trophies and prizes, and more!
