

ADOPT *a* ROCK

The Salmon Arm Curling Centre is proud to offer a tangible way for members, friends, family, organizations or businesses to be recognized by all curlers on-ice. Your donation also supports programs and upgrades at the Centre.

We currently have approximately 70 rocks that are waiting patiently to be adopted by YOU! In 2016 we replaced the previous 96 handles which had been used over the previous twenty years and were ready to leave the nest and move on. We replaced them with new Yellow and Royal Blue handles. With a gift of \$200, you are able to “adopt” one of the centre’s rocks.

A custom engraved inscription on the handle of a rock! What a great idea. For only \$200 for one, \$400 for twins, or \$1600 for 8 (octuplets) you will be helping the SACC in achieving its goals and remain a vital part of the recreational community in Salmon Arm. You may want to pay tribute to a special someone . . . a coach, a family member who has passed or just yourself. If you have a business, it’s a very cost-effective way to keep your name in the forefront. The possibilities are as big as your imagination!

We can guarantee that your name will remain on the handle for a minimum of ten years. If the handle is damaged and needs replacement during that time, we will replace it for free!

We invite you to be a part of this fundraising effort and let your custom engraving be viewed by everyone who throws a rock!

Pick up an adoption form from the office or print one from the website.

Thank you, we are looking forward to having all 96 adopted soon!
