

# ADOPT *a* ROCK

The SACC is proud to offer a new way for members, friends, family, organizations, businesses etc...to support the centre financially by helping offset the cost of the new curling rock handles and other programs and upgrades that the centre is developing.

We currently have 96 rocks that are looking to be adopted. The handles have been used the last twenty years are ready to leave the nest and move on. They will be replaced with new Yellow and Royal Blue handles. Just like you see on TV! **With a gift of \$250, sponsors are able to “adopt” one of the centre’s rocks.**

A custom engraved inscription on the handle of a rock! What a great idea. For only \$250 for one, \$420 for twins, or \$1600 for 8 (octuplets) you will be helping the SACC in achieving its goals and remain a vital part of the recreational community in Salmon Arm. You may want to recognize someone special to you, a coach, a family member who has passed or just yourself. If you have a business, it's a very cost effective way to keep your name in the forefront. The possibilities are as big as your imagination!

We can guarantee your name will remain on the handle for a minimum of ten years. If the handle is damaged and needs replacing during that time, we will replace it for free! Each season the rocks will be rotated to another sheet giving more exposure to your inscription.

So please be a part of this new fundraising effort and let your custom engraving be viewed by everyone who throws a rock!

Pick up an adoption form from the office or print one from the website.

Thank you, we are looking forward to having all 96 adopted soon!
