

2023-2024 Thompson Okanagan Inter City Junior Curling League

This is a league for Junior curlers in the Thompson Okanagan, previously with teams from Kamloops, Chase, Salmon Arm, Enderby, Armstrong, Vernon, Lumby, Winfield and Kelowna. The purpose of this league is to help juniors develop their skills – bridging the gap between recreational club play and Curl BC competitive playdowns – all while having a lot of fun.

- The season normally runs from late October until early March.
- There are 10 game days, with 2 games each day (normally 10am and 1pm).
- Games are played on **Sundays** about twice a month (depending on availability of ice), with the possible exception of playoffs which may occur over a weekend (Saturday – Sunday).
- We try to ensure that each of the participating cities gets to host game days.
- Teams are coached and will compete in a division of like-skilled teams.
- We’re expecting 2 divisions this year (Beginner/Novice and Intermediate) but have had up to 3 division in the past. No previous competition experience necessary!
- Most teams are comprised of kids from the same city. However, to accommodate everyone we sometimes see teams comprised of curlers from more than one city – we can help with that.
- Cost is **\$85 per player**.
- The \$85 includes 10 game days, a hoodie with your name bar on the back bottom, a Christmas Party, a Year End Party with trophies and prizes, and more!
