

Salmon Arm CURLING CENTRE

751 - 28th St NE, Salmon Arm, BC, V1E2S7

2025-26 School Curling Instruction Program BOOKING PROCESS

Due to high demand and limited timeslots, SACC will be conducting a 'lottery' system again this year, to determine classes that will be invited to book their 3 timeslots in our School Instruction Program. Our program is open to children from **Grade 4 to 12** with a fee of **\$4.00 per student each session**.

In order to operate our School Curling Instruction Program, we must ensure that we have:

- 3 sheets of available ice per class
- 6 club volunteers per class to deliver a quality experience as safely as possible for students, teachers and volunteers.

Effective 2025-26 Season:

1) Expression of Interest

School Staff: please send your school's list of interested teachers to info@salmonarmcurling.com no later than **September 30, 2025 Midnight** and include:

- a) each teacher's name and school email address
- b) grade level
- c) number of students in the class

2) SCHEDULING PROCESS - booking your 3 timeslots:

- a) **October 1st** – we will use a random selection process to create a list displaying the selection order and we will share this list with all teachers. Positions on the list are not transferable to other teachers.
- b) After **October 6**, we will know how much ice is available for the school program and will then create a draft schedule to circulate to teachers in order on the Selection List (one at a time)
- c) **Teachers have a maximum of 12 hours** from the time the email was sent, to respond with the 3 dates they wish to book. The schedule is then updated and sent to the next teacher.
(Immediate response is very much appreciated to reduce the overall time to complete the schedule.)
- d) We will advise everyone of the final booking schedule.

More information on the Program can be found (including last year's schedule for interest) at <https://salmonarmcurling.com/service/school-instruction/>

We look forward to hosting your classes!
